This document is not to be treated as a full summary of the product's terms and conditions and is not intended to provide financial advice.

Refer to the product terms and conditions detailed below when making a decision about this product:

- General Terms & Conditions
- Pepper Money Loan Agreement
- Mortgage Common Provisions

Target market determination date

29 January 2025

2. Product

Prime Construction Loan

3. Description of target market, including likely objectives, financial situation and needs

The features of this product, including its key attributes, have been assessed as meeting the likely objectives, financial situation and needs of consumers who:

- Satisfy our eligibility criteria, including (but not limited to) the following:
 - Must be 18 years or older at the time of application.
 - Must be a resident of Australia.
 - Be able to demonstrate their capacity to repay their loan over a sustained period of time.
 - Have a good credit history, minor defaults may be considered.
- Are able to manage repayments which can change at any time
- Require a loan secured by owner occupied or investment residential real property for the purpose of:
 - Constructing a new residential property for owner occupied or investment purposes.
 - Renovating an existing residential property for owner occupied or investment purposes.

Key product features and attributes

This product has the following features and attributes:

- Variable interest rate only.
- Principal and Interest repayments. Interest Only (IO) repayments on balance of loan during construction period (maximum of 18 months) followed by Principal and Interest repayments for the remainder of the loan term.
- 100% interest offset sub-account available with Visa debit card access¹ once construction has been completed.
- Maximum Loan to Value Ratio (LVR) 95%².
- Maximum loan amount A\$1,500,000, minimum loan amount A\$100,000².
- Maximum loan term 30 years, minimum loan term 10 years².
- Repayments available monthly, fortnightly and weekly.
- Ability to redraw additional repayments after the construction period has ended.
- Purchases and refinances of land is acceptable as long as there is an executed building contract in place.
- Ability to make structural changes to an existing owner-occupied property.
- Ability to make additional repayments at no additional cost.

¹ Visa debit card issued by Indue Limited ABN 97 087 822 464 and distributed by Pepper Finance Corporation Limited ACN 094 317 647 and/or through Pepper Money accredited mortgage brokers.

² The maximum term, loan amount, fees and charges and Loan to Valuation Ratio will vary depending on the consumer's circumstances, including the method of income validation and credit history. E.g., discharged bankrupt or defaults. Refer to the key product attributes to ensure that the available product options meet the consumer's likely objectives, financial situation and needs.

- Availability of a Visa debit card¹ once construction has been completed for everyday access to additional funds including ATMs.
- Access to manage loan online including BPay.
- Pricing for risk:
 - If a loan is approved, the interest rate offered and fees and charges will depend on our assessment of a number of factors at the time of application including the consumer's credit history, income and financial position, the LVR, the loan term and the nature of the security property. A risk loading may apply.
- Fees and charges² include:
 - Establishment Fee
 - Monthly Account Keeping Fee
 - Fixed Rate Lock Fee
 - Legal Fee
 - Discharge Fee
 - Lender Protection Fee

Other fees and charges may apply, as set out in the loan agreement.

Sub target market for consumers with 100% interest offset sub-account feature

This feature is likely to be appropriate for consumers within the target market who:

- Have surplus cash and want to use this to reduce the interest payable on their loan while retaining access to their money.
- Want the availability of a Visa debit card¹ for everyday access to additional funds held in the offset sub-account, including at ATMs.

The 100% interest offset sub-account feature and Visa debit card is not available during the construction period

Sub target market for consumers with Principal and Interest loan repayment

This feature is likely to be appropriate for consumers within the target market who:

- Want to pay down their outstanding loan balance on a regular basis in addition to their interest repayments, to save on interest over the term of the loan and build equity in the property.
- Understand that they will make IO repayments on the loan balance during the construction period (maximum 18 months) followed by Principal and Interest repayments for the remainder of the loan term.

Construction of an owner-occupied residential property²

This product allows consumers to finance the construction of an owner-occupied residential property with the ability to select principal and interest repayments in order to reduce the overall debt and build equity or interest only during the construction stage.

Renovating an owner-occupied residential property²

This product allows consumers to finance the renovation of an owner-occupied residential property to increase the value of their property whilst paying principal and interest repayments in order to reduce the overall debt and build equity.

Construction of an investment residential property²

This product allows consumers to finance the construction of an investment residential property making principal and interest repayments in order to reduce the overall debt and build equity or interest only for tax purposes.

Renovating an investment residential property²

This product allows consumers to finance the renovation of an investment residential property to increase the value of their property whilst paying principal and interest repayments in order to reduce the overall debt and build equity or interest only for tax purposes.

¹ Visa debit card issued by Indue Limited ABN 97 087 822 464 and distributed by Pepper Finance Corporation Limited ACN 094 317 647 and/or through Pepper Money accredited mortgage brokers.

² The maximum term, loan amount, fees and charges and Loan to Valuation Ratio will vary depending on the consumer's circumstances, including the method of income validation and credit history. E.g., discharged bankrupt or defaults. Refer to the key product attributes to ensure that the available product options meet the consumer's likely objectives, financial situation and needs.

Consumers for whom this product may not be appropriate

This product may not be appropriate for individuals who:

- Do not meet the Prime target market criteria.
- Need to borrow greater than 95% Loan to Value Ratio (LVR).
- Require a loan with Interest Only repayments after the construction period.
- Require a loan term greater than 30 years.
- Require a fixed interest rate loan.
- Do not have ongoing income and/or employment.
- Cannot demonstrate their capacity to repay debt over a sustained period.
- Require a line of credit facility.

Pepper may also exclude consumers based on factors including, but not limited to, loan purpose.

4. How this product is to be distributed

Distribution channels and conditions

This product is designed to be distributed through the following distribution channels:

- Pepper Money accredited and licensed mortgage brokers subject to Best Interests Duty and Licensed Intermediaries (**Third Party Channel**); and
- Directly via appropriately authorised Pepper Money employees (**Direct Channel**).

The distribution channels are appropriate because:

- The product has a wide target market.
- Pepper Money's Third-Party Channel consists of accredited mortgage brokers that are subject to a higher duty under Best Interests Duties to ensure that the product is in the best interests of the particular consumer and Licensed Intermediaries.
- Pepper Money's Direct Channel distributors have been adequately trained and have the necessary skills and knowledge to distribute this product in accordance with the TMD.
- Pepper Money's application and approval process has controls in place to ensure all approved consumers meet our eligibility and lending requirements.
- Pepper Money conducts adequate training, upfront and ongoing due diligence and monitoring of distributors including the ongoing provision of information to these distributors.

5. Reviewing this target market determination

We will review this TMD in accordance with the following:

Review periods	First review date: within twelve months of the effective date. Periodic reviews: every twelve months after the initial review and each subsequent review.
Review triggers	This TMD will be reviewed if any of the events should occur: <ul style="list-style-type: none">• There is a material change to the product including to the fees or the terms and conditions of the product, except where the TMD has already been reviewed in relation to that change.• There is a material change in the regulatory requirements in relation to the product, except where the TMD has already been reviewed in relation to that change.• A significant dealing of the product to consumers outside the target market occurs.• External events such as adverse media coverage or regulatory attention suggest that the target market for the product might not be appropriate.• There is a material, unexpected increase in complaints, declined applications, clients in default or hardship when measured against approved metrics, determined by reference to our Design and Distributions Obligations (DDO Policy).• We receive correspondence from a regulator, including a regulatory order or direction (including the use by ASIC of its Product Intervention Powers) that expressly states or directly implies that this TMD is no longer appropriate.

Where a review trigger has occurred, this TMD will be reviewed within 10 business days.

6. Reporting and monitoring this target market determination
